Runners, Supporters, Volunteers and Sponsors Welcome to the 2023 Orange Running Festival

As we celebrate our 17th year, we welcome back past entrants, sponsors and local community groups who have all grown to feel as proud of being part of this weekend as we are. We welcome new runners - from those who are on the journey that is their first fun run through to seasoned marathoners and elites who have added this event to their running calendar.

Join us on the 4th and 5th of March and enjoy a weekend away in the renowned food and wine region of Orange in Central West NSW. The festival caters for all ages and abilities with a distance for everyone. On Saturday we kick off with our Orange Mile events (the Junior, Womens & Mens Miles plus a NEW event, the Community Orange Mile, a non-competitive, inclusive race for all ages) leading into our Sunday distance program with the 5km, 10km, half marathon and marathon along a scenic, all sealed, gently undulating course in the cool climate of Orange.

We acknowledge our loyal sponsors lead by our Event Partner Westfund Health Insurance, the large number of hard-working volunteers and importantly the members of the Orange Runners Club who have put in countless hours over the past year to make this event such a success. In 2023 we welcome Running for Premature Babies as our Charity Partner.

Thank you for your ongoing support and passion for this truly local celebration of health and fitness. We hope you enjoy the weekend and have a great 2023 Orange Running Festival.

Anthony Daintith
Orange Running Festival Coordinator

PRE-RACE ASSEMBLY

Competitors will be called to the Marshalling Area over the PA and then directed to the start line by our volunteers.

Please self seed, as per the race starters instructions, and enter the start area in line with your target time.

Participants will receive an individual start time when they cross the start line. All event finish times are based on net time. There will be no congregating at the start line for any extended period and no need to rush to start.

PRE-RACE BRIEFING

Please note the following information.

- Be sun smart – apply sunscreen. Sunscreen will not be provided at the event.
- Ensure you are hydrated. Drink water before your race and bring your own water to the event.
- Please ensure that any pre-existing medical conditions are advised on your online entry.
- Do not surge forward at the start – don't forget that your net run time starts when you cross the timing mat – NOT when the starting gun fires. The overall winner will be determined by the net time from individuals' chip timing.
- A lead cyclist will lead and direct the front runners for the first lap of each event.
- If you need help or have questions ask at the Runner HQ Tent or talk to any official wearing a fluorescent vest.
- The Race Starter will gain everyone's attention prior to commencing the race briefing. Participants are reminded that the briefing is provided with their health and safety in mind – so please pay attention.

PRAMS

Prams and pushchairs are permitted for the following events only and must start at the back of the field.

- Community Mile

PETS

Please do not bring your pets to the festival. Due to the wildlife in the area, dogs (including on leads) are not permitted in the Gosling Creek Reserve.

TIMING CHIPS

All participants must wear their assigned numbered timing transponder correctly (integrated into the Race Bib) as per the instructions provided. The use of any other participant's timing transponder is strictly prohibited as this would compromise the results and could lead to the disqualification of the participant and/or entire team (where applicable).

The timing transponder will be activated when you cross the start line of your chosen event. Your time will be automatically recorded when you cross the finish line.

Please ensure that you do not bend your race bib/ timing chip as it may impact its ability to scan and track your results.

Do not walk over the start/finish timing mat before your event begins/finishes.

FIRST AID

Rural Fire Service volunteers will provide first aid at the finish line within the Gosling Creek precinct and out on course at the intersection of Forest & Orchard Roads.

Runners Etiquette

We intend to stage an awesome, fun event in a safe and friendly environment for all competitors to enjoy.

We ask that you be mindful of race etiquette and adhere to social distancing where possible.

- Please ensure that you self-seed based on your target time.
The Race Starter will assist with this.
- Please keep to the right hand side of the road.
- Be courteous to fellow competitors, public and volunteers.
- If walking or running in groups, don't take up the full width of the path and allow others to pass.
- Please observe the marshal's directions. They are there to ensure your safety and that you stay on course. All marshals will have phone access back to Race Control & emergency services.
- It is preferred that you do not wear earphones. If you do, please wear only one earpiece and adjust the volume to a level where you can hear and respond to approaching runners, directions from marshals and hazards.
- Please be aware of cars being on the road. Roads will be closed to general traffic but local residents will have access to their properties (via an escort vehicle).
- There will be photographers at the start, on course and at the finish line. If you do not wish to have your photograph taken, please cross your arms in front of you.
- Take care at the short transition from Gosling Creek Reserve to Forest Road. The surface is unsealed and narrow. Upon your return there may be runners coming in the opposite direction so please keep to the right hand side of the barrier.
- Whilst restrictions have eased, please continue to be mindful of COVID safe practises, especially the following.
 - If you are unwell please stay away
